To whom it may concern

RoHS I, II and III, WEEE and REACH compliance of Zestron®-, Vigon®-, Hydron®- and Atron®-products

ZESTRON® hereby confirms that all our cleaning products, fully comply with the latest RoHS regulations and do not contain any of the following hazardous substances (halogenated substances, mercury, cadmium, lead, hexavalent chromium, polybrominated biphenyl PBB and polybrominated diphenyl ether PBDE, phthalates) according to European Directives 2002/96/EC/ (WEEE) and 2012/19/EU including the 2015/863/EU amendment (RoHS III).

Under the REACH regulations, Substances of Very High Concern (SVHC 242), as described in the latest REACH regulation 1907/2006 updated November 7th 2024, should be documented if present at a concentration exceeding 0.1 % in a substance. Therefore no entry in the SCIP database is necessary and no SCIP number has to be provided.

Please do not hesitate to contact us if you have any questions or concerns.

Best regards
